Ambassadors of Italian Quality

We are a third-generation food importing company highly specialized in the importation and distribution of the best **Flour, Tomatoes, Oil, Mozzarella, Burrata, and Vegetables in Oil** from Italy.

Caputo "00" Pizzeria Flour

Our signature product recognized by leading Neapolitan Pizza Certification Associations. This flour is ideal for Neapolitan pizza baked in wood-fired, gas, or electric ovens at high temperatures.

Protein: 12.75% | W260-280 

Caputo "00" Americana Flour

A "00" flour designed for artisanal pizza, this special wheat blend of high protein is perfect for artisanal products baked in 500-700°F ovens.

Protein: 14.25% | W360-380 

Since 1924, Caputo has guaranteed extremely high standards of quality by selecting and mixing the best wheat following the tradition of the ancient art of milling. Rather than an all-purpose flour, Caputo has expertly crafted flours for every creation.

Ciao takes extra care in selecting only the best whole, mature tomatoes, which are packaged within 6 hours of being harvested in Southern Italy. Ciao tomatoes are known for their exceptional balance and fresh, natural tomato flavor.

Ciao Authentica Peeled Crushed Tomatoes

These crushed peeled Italian tomatoes in tomato puree from the foothills of Mt. Vesuvius are ready to go as soon as the can is opened. Season per your preference, and they're ready to go!

Ciao Italian Whole Peeled Tomatoes

Grown in the foothills of Mt. Vesuvius, our tomatoes are packed in a juice made exclusively from fresh tomatoes. Basil is added to yield the perfect balance of flavor!
